

**SUMMARY OF ACTIONS TAKEN**

*August 25, 2026 – Quality and Professional Affairs Committee Meeting*

**Members Present:**

Juan Jose Perez  
Trevor Brown  
Michael Papadakis  
John J. Warner  
Andrew M. Thomas

Elizabeth Seely  
David E. Cohn  
Kami J. Maddocks  
Nicole Williams

Scott A. Holliday  
Stacy A. Brethauer  
Traci Mignery  
Corrin Steinhauer

**Members Present via Zoom:**

George A. Skestos

**Members Absent:**

Eric C. Bourekas

**PUBLIC SESSION**

The Quality and Professional Affairs Committee of the Wexner Medical Center Board convened on Tuesday, August 25, 2026, virtually and in person, in Room 234 of Meiling Hall on the Columbus campus. Chair John Perez called the meeting to order at 4:00 p.m. He then noted changes to the committee's membership that will take effect with the September meeting, including greater representation from The James and ambulatory services and a new chair: Trustee Kara Trott.

**Item for Action:**

1. Approval of Minutes: No changes were requested to the July 28, 2026, meeting minutes; therefore, a formal vote was not required, and the minutes were considered approved.

**Item for Discussion:**

2. Clinical Accomplishments: Dr. Andrew Thomas, chief clinical officer for the Wexner Medical Center, shared the latest highlights from across the medical enterprise. Dr Thomas celebrated the successful opening of the new Outpatient Care Powell location and also shared that committee member Dr. Scott Holliday, will be stepping down from his role as associate dean/associate medical director of graduate medical education. Dr. Holliday will continue to serve in his role while a national search is conducted for his successor.

**EXECUTIVE SESSION**

It was moved by Mr. Perez and seconded by Dr. Warner that the committee recess into executive session to discuss quality and safety matters, personnel matters and to consult with legal counsel regarding pending or imminent litigation.

A roll-call vote was taken, and the committee voted to move into executive session with the following members present and voting: Mr. Perez, Mr. Skestos, Dr. Brown, Mr. Papadakis, Dr. Warner, Dr. Thomas, Ms. Seely, Dr. Cohn, Dr. Maddocks, Dr. Williams, Dr. Holliday, Dr. Brethauer, Ms. Mignery and Dr. Steinhauer.

The committee entered into executive session at 4:07 p.m. and reconvened in public session at 4:47 p.m.

## **PUBLIC SESSION**

### **Items for Action:**

3. Approval of the Emergency General Surgery Program Verification:
4. Medical Staff Appointments, Initial FPPE Recommendations and Requests for Additional and/or Special Privileges and Change in Category, August 2026:
  - a. OSU Wexner Medical Center
  - b. James Cancer Hospital and Solove Research Institute
  - c. New Albany Ambulatory Surgery Center
  - d. Dublin Ambulatory Surgery Center
  - e. Powell Ambulatory Surgery Center
5. Approval of New/Revised Privilege Application Form:
  - a. Registered Pharmacist
6. Approval of Revised Credentialing Supplemental Disclosure Questions:

The committee first voted on item No. 4 – Medical Staff Appointments, Initial FPPE Recommendations and Requests for Additional and/or Special Privileges and Change in Category, August 2026. Dr. Brethauer was advised to abstain.

**Action:** Upon the motion of Mr. Perez, seconded by Dr. Warner, the committee adopted the foregoing item by roll-call vote with the following committee members present and voting: Mr. Perez, Mr. Skestos, Dr. Brown, Mr. Papadakis, Dr. Warner, Dr. Thomas, Ms. Seely, Dr. Cohn, Dr. Maddocks, Dr. Williams, Dr. Holliday, Ms. Mignery and Dr. Steinhauer. Dr. Brethauer abstained.

The committee then voted on the remaining items under consideration.

**Action:** Upon the motion of Mr. Perez, seconded by Dr. Warner, the committee approved these items by roll-call vote with the following committee members present and voting: Mr. Perez, Mr. Skestos, Dr. Brown, Mr. Papadakis, Dr. Warner, Dr. Thomas, Ms. Seely, Dr. Cohn, Dr. Maddocks, Dr. Williams, Dr. Holliday, Dr. Brethauer, Ms. Mignery and Dr. Steinhauer.

The committee adjourned at 4:51 p.m.

| Education/Training                                        | Completion of a master's/post-master's or doctorate degree in an accredited nursing program with emphasis in their specialty area.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| Certification                                             | Current and continuous certification as a Certified Nurse Midwife by the American Midwifery Certification Board (formerly American College of Nurse-Midwives Certification Council).                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Clinical Experience - Delivery Procedures (Initial)       | Demonstrated current competence and evidence of performance of at least 20 deliveries as the primary provider in the past 2 years OR completion of an accredited certified nurse midwifery program within the last 2 years and a letter from your program director attesting to competency for at least 20 deliveries during the last 24 months of training. Experience must correlate to the privileges requested.                                                                                                                                                                                                                                                                                                                                                         |
| Clinical Experience - Delivery Procedures (Reappointment) | Applicant must provide documentation of provision of clinical services in the specific privileges requested during the previous 3 years. Adequate volume of experience (30 deliveries) as primary provider in the past 3 years and demonstrated current competence based on results of ongoing professional practice evaluation and outcomes.                                                                                                                                                                                                                                                                                                                                                                                                                               |
| Additional Qualifications                                 | <p>Applicant must have a collaborating physician practicing in the same specialty and maintain a current Standard Care Arrangement for the Advanced Practice Registered Nurse that meets the requirements outlined in the Ohio Revised and Administrative Codes. The collaborating physician must have current medical staff membership and clinical privileges at the Medical Center. The collaborating physician must be granted the same privileges as those being requested by the Certified Nurse Midwife.</p> <p><b>AND</b> Current DEA Registration with schedules 2, 2N, 3, 3N, 4 and 5 (if prescribing controlled substances)</p> <p><b>AND</b> Ongoing professional practice evaluation must be submitted every six months as required by the Medical Center.</p> |

## Core Privileges in Certified Nurse Midwife

**Description:** Midwifery practice as conducted by certified nurse midwives (CNMs) is centered on general health care, focusing particularly on obstetric and gynecological health. Including but not limited to: gynecologic/sexual health needs throughout the lifetime, family planning/fertility, pregnancy, childbirth, and the postpartum period.

#### Acknowledgment of Applicant

I have requested only those privileges for which by education, training, current experience, and demonstrated performance, I am qualified to perform, and that I wish to exercise at Ohio State University hospitals, ASC's and Clinics.

I also acknowledge I have met all requirements including but not limited to the minimum number of cases and/or CMEs. I understand that in exercising any clinical privileges granted, I am constrained by applicable hospital and medical staff policies and rules applicable generally and any applicable to the particular situation.

Practitioner's Signature

OSUHS

#### Final Recommendation - Privileges

I have reviewed the requested clinical privileges and supporting documentation and my recommendation is based upon the review of supporting documentation and/or my personal knowledge regarding the applicant's performance of the privileges requested:

| Privilege | Condition/Modification/Deletion/Explanation |

## IBD POCUS

**Description:** Intestinal point of care ultrasound to evaluate for suspected or confirmed inflammatory bowel disease to look for extent of disease activity and/or response to therapy. This may include evaluating for bowel wall thickness, bowel wall vascularity, abdominal adenopathy, mesenteric echogenicity, and abscess/fistula formation.

## Qualifications

|               |                                                                                                                                                                                                                                                                                                                                                                                                                              |
|---------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Initial       | <p>Gastroenterology fellowship training that included an IBD focus.</p> <p><b>AND</b> Completion of an International Bowel US (IBUS) course that is approved by the program director or the POCUS representative who has credentialing in GI IBD POCUS. This course must include both a didactic and hands-on experience.</p> <p><b>AND</b> Successful completion of the OSUWMC POCUS Policies and Procedures CBL course</p> |
| Reappointment | <p>Attestation of quality outcomes. QA audits should be completed by department per POCUS policy. AND (if required per criteria) Required number of cases (reviewed by division US director or POCUS representative or surrogate approved by POCUS committee) Logs of cases must be provided.</p>                                                                                                                            |

| <input type="checkbox"/>                                                                                                                                                                                                                                                                                                                                           | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| <b>MODERATE Sedation</b> - This level of sedation produces a drug-induced decrease of consciousness during which patients respond purposefully to verbal commands, with or without tactile stimulation. A patent airway and spontaneous ventilation are adequate without intervention. Cardiovascular status is usually maintained. (Must perform 5 every 3 Years) |                          |                          |                          |                          |

### Acknowledgment of Applicant

I have requested only those privileges for which by education, training, current experience, and demonstrated performance, I am qualified to perform, and that I wish to exercise at Ohio State University hospitals, ASC's and Clinics.

I also acknowledge I have met all requirements including but not limited to the minimum number of cases and/or CMEs. I understand that in exercising any clinical privileges granted, I am constrained by applicable hospital and medical staff policies and rules applicable generally and any applicable to the particular situation.

Practitioner's Signature \_\_\_\_\_

OSUHS, The James, ASCNA, ASCDUB, ASCP

### Final Recommendation - Privileges

I have reviewed the requested clinical privileges and supporting documentation and my recommendation is based upon the review of supporting documentation and/or my personal knowledge regarding the applicant's performance of the privileges requested:

| Privilege | Condition/Modification/Deletion/Explanation |
|-----------|---------------------------------------------|
|-----------|---------------------------------------------|

## Intraoperative Neuromonitoring - Telemedicine (Department of Neurosurgery)

Delineation of Privileges

Applicant's Name: Test, Provider

### Instructions:

1. Click the **Request** checkbox to request a group of privileges such as *Core/Primary Privileges* or a Privilege Cluster.
2. Uncheck any privileges you do not want to request in that group.

### Acknowledgment of Applicant

I have requested only those privileges for which by education, training, current experience, and demonstrated performance, I am qualified to perform, and that I wish to exercise at Ohio State University hospitals, ASC's and Clinics.

I also acknowledge I have met all requirements including but not limited to the minimum number of cases and/or CMEs. I understand that in exercising any clinical privileges granted, I am constrained by applicable hospital and medical staff policies and rules applicable generally and any applicable to the particular situation.

Practitioner's Signature

OSUHS, The James, ASCDUB

#### Final Recommendation - Privileges

I have reviewed the requested clinical privileges and supporting documentation and my recommendation is based upon the review of supporting documentation and/or my personal knowledge regarding the applicant's performance of the privileges requested:

| Privilege | Condition/Modification/Deletion/Explanation |
|-----------|---------------------------------------------|
|-----------|---------------------------------------------|

### Delineation of Privileges

Applicant's Name: Test, Provider

#### Instructions:

1. Click the **Request** checkbox to request a group of privileges such as *Primary Privileges* or a Privilege Cluster.
2. Uncheck any privileges you do not want to request in that group.
3. Check off any special privileges you want to request.
4. Sign form electronically and submit with any required documentation.

## Botulinum Toxin Injections

### Qualifications

**Education/Training** Documentation of training during residency/fellowship, OR training in an accredited CME course and ten (10) proctored cases for each indication, OR evidence of didactic training (related to clinical indication of usage) and proctoring of five (5) cases for each indication by a physician with these privileges, OR if physician had privileges at another hospital, a letter from the department chair/division director attesting to experience and competency of the applicant at that hospital

**Clinical Experience (Reappointment)** Fifteen (15) cases every 3 years for reappointment.

Request

OSUHS

The James

☐ - Newly Requested privileges ☐ - Currently Granted privileges

☐ ☐ Botulinum Toxin Injections

**NEW CLUSTER****Ultrasound Guided Botulinum Toxin Injections****Qualifications****Education/Training**

Successful completion of the OSUWMC POCUS Policies and Procedures CBL course

**AND** Must be granted privileges for botulinum toxin injection procedures

**AND** Formal training: Completion of a residency or fellowship that had a formal curriculum including both didactics and hands-on experience in U/S guided Botox injections. Required documentation includes a letter from the program director attesting to the completion of a formal training program including both didactic and hands-on experience and stating competency in the procedure being requested.

**OR** Proctoring Experience: The completion of a course (approved by division US director or POCUS representative or surrogate approved by POCUS committee) that includes both didactic and hands-on instruction in the procedure requested and the required number of procedures under the supervision of an expert preceptor.

**OR** Clinical Experience (from outside OSU Hospitals): A letter from the department chair where the candidate had been practicing (not training) stating that the candidate had formal privileges and was deemed competent (as a result of quality monitoring) and a log of the required number of procedures.

A preceptor is defined as a practitioner who has full and unrestricted privileges for the procedure being requested.

Request

### Acknowledgment of Applicant

I have requested only those privileges for which by education, training, current experience, and demonstrated competency I believe that I am competent to perform and that I wish to exercise at Demo Hospital and I understand that: A. In exercising any clinical privileges granted, I am constrained by applicable Hospital and Medical Staff policies and rules applicable generally and any applicable to the particular situation. B. Any restriction on the clinical privileges granted to me is waived in an emergency situation and in such situation my actions are governed by the applicable section of the Medical Staff Bylaws or related documents.

Practitioner's Signature

OSUHS, The James

### Department Chair Recommendation - Privileges

I have reviewed the requested clinical privileges and supporting documentation and my recommendation is based upon the review of supporting documentation and/or my personal knowledge regarding the applicant's performance of the privileges requested:

The Ohio State University Wexner Medical Center

Drs. Agnello and Manning,

Thank you for your continued service as the Co-Medical Directors of the Antimicrobial Stewardship program for The Ohio State University Wexner Medical Center (OSUWMC).

For the purposes of this letter, the OSUWMC includes University Hospital, East Hospital, University Hospital – Pavilion, Richard M. Ross Heart Hospital, Harding Hospital, Dodd Rehabilitation Hospital, and Ambulatory Clinics and Services.

In accordance with CMS regulations (CMS 482.42), as the medical and pharmacy leadership for the Medical Center, we will be forwarding your appointment as the co-leaders of this program to the OSUWMC board for their approval.

We deeply appreciate your willingness to serve the OSUWMC in this important capacity.

Sincerely,

Signed by:

## ANTIMICROBIAL STEWARDSHIP PROGRAM

### OHIO STATE UNIVERSITY HOSPITALS d/b/a OSU WEXNER MEDICAL CENTER

Synopsis: Approval of the appointment of the Medical Director responsible for the Antimicrobial Stewardship Program for the hospitals at the Ohio State University Hospitals d/b/a OSU Wexner Medical Center, including: Ohio State University Hospital, Ohio State Richard M. Ross Heart Hospital, Ohio State Harding Hospital, and Ohio State East Hospital, is proposed.

WHEREAS the mission of the OSU Wexner Medical Center is to improve people's lives through the provision of high-quality patient care; and

WHEREAS the Medical Director of the Antimicrobial Stewardship Program is responsible for managing and directing the program by: coordinating all components of the hospitals responsible for antibiotic use and resistance, documenting the evidence-based use of antibiotics in all departments and services, and documenting improvements in proper antibiotic use at the Ohio State University Hospital, Ohio State Ross Heart Hospital, Ohio State Harding Hospital, and Ohio State East Hospital; and

WHEREAS Sydney Agnello, DO and Brandi Manning, DO, are qualified through education, training, and experience in infectious diseases and antibiotic stewardship; and

WHEREAS Andrew Thomas, MD, the Chief Medical Officer for the OSU Wexner Medical Center, and Trisha Jordan, PharmD, MS, BCPS, FASHP, FNAP, the Administrator for Pharmacy Services for the OSU Wexner Medical Center, recommended that Sydney Agnello, DO and Brandi Manning, DO, serves as the Medical Director responsible for the Antimicrobial Stewardship Program by letter (attached) dated August 15, 2026:

WHEREAS on **DATE**, the Quality and Professional Affairs Committee recommended that the Wexner Medical Center Board approves Sydney Agnello, DO and Brandi Manning, DO, to serve as the Medical Directors responsible for the Antimicrobial Stewardship Program for University Hospital, Ohio State Ross Heart Hospital, Ohio State Harding Hospital, and Ohio State East Hospital:

NOW THEREFORE

BE IT RESOLVED, That the Wexner Medical Center Board hereby approves Sydney Agnello, DO and Brandi Manning, DO, as the Medical Directors responsible for the Antimicrobial Stewardship Program for University Hospital, Ohio State Ross Heart Hospital, Ohio State Harding Hospital, and Ohio State East Hospital.
